**RE: \$1000 Scholarship for Prospective Teachers**

DATE: January/February, 2013

The Alpha Theta Chapter of the Delta Kappa Gamma Society International, an honorary association of women educators in Wayne County, is offering a \$1000 scholarship to a graduating senior OR a graduate currently enrolled in college and pursuing a career in **education**. We base our selection on the academic and attendance records of the candidates, on economic need, and on the likelihood of successful completion of a teacher licensure program.

To request an application for the scholarship, you should contact our scholarship data manager, Lola Franks, via email at [fullerfranks@embarqmail.com](mailto:fullerfranks@embarqmail.com). (**Be sure to include the name of your high school in your request.**) She can also be reached at 330-264-9004. She will email you a Word file of the application form so that you can complete and edit it electronically, print it out and send it to me at 1560 Renwood St., Wooster, OH 44691. **You will need to include a copy of your academic transcript and a signed statement regarding your high school attendance.**

**April 1 is a firm deadline for submission of the application.** The committee will be meeting to make our selection the following week. Please contact Ms. Franks immediately to receive the Word file of the application so that you don't miss this very important deadline.

You will note that for high school students attendance information is required. Please have your absences verified by the attendance officer or principal of your school before you forward the application.
